The Rock & Rouge Women's Music & Food Festival & Beyond

New Orleans, Louisiana, March 16, 2020 – Following the announcement of Governor John Bel Edwards last Friday afternoon banning all public events over 250 people, The Rock & Rouge Women's Music & Food Festival & beyond will not be held this upcoming Saturday, March 21st in Lafayette Square. While we are saddened and disappointed, we understand that public safety is the top priority and will continue to listen to and support state and local officials.

We will instead move forward with hosting this event in September 2020 in Lafayette Square. We hope to see everyone there in the fall to celebrate and empower all women in our community. Please stay tuned over the coming months as we will announce any updates and changes. Thank you to our community, partners, sponsors, donors, and everyone in this difficult time!
