BEWARE WHEN PAYING!!!!Very bad service! Security very rude and arrogant! They treat their customers as if they are all drunk and dumb! Bartenders should be trained better in customer service! Make sure to be careful not to get over charged!!!!!!

Thank you for your review. Was this Sunday night? You are correct about being over charged, this is true anywhere you go. we offer menus with pricing so you can always review drink prices before you purchase.

This will prevent anyone from overcharging you. Also we us a POS system so the prices are programed in so the prices are fixed in the system.

Did you request a receipt? This to will prevent incorrect pricing.
